

Calendar of Events 2021

January

- 11 The Contact Tracing Office under the Centre for Health Protection of the Department of Health commences operation to step up contact tracing of confirmed COVID-19 cases.

In view of the latest developments of COVID-19, all schools including kindergartens continue to suspend face-to-face classes and school activities until the Lunar New Year holidays but primary and secondary schools are allowed to arrange for no more than one-sixth of the total number of students to return for classes or examinations on a half-day basis.

Mr Andrew Cheung Kui-nung assumes the office of the Chief Justice of the Court of Final Appeal, following the retirement of Mr Geoffrey Ma Tao-li.

- 14 The government asks the World Trade Organisation (WTO) to establish a panel, in accordance with the WTO Dispute Settlement Mechanism, to consider the dispute with respect to the United States' new requirement on origin marking for Hong Kong products. The WTO Dispute Settlement Body agreed at its meeting on 22 February to establish the panel.

- 15 The Director of Health issues the first isolation orders for entire residential blocks, prohibiting people from entering or leaving four buildings in Yau Ma Tei, to facilitate contact-tracing work following a number of confirmed COVID-19 cases related to the buildings.

The Civil Service Bureau promulgates the requirement for civil servants appointed before 1 July 2020 to take an oath or sign a declaration that they will uphold the Basic Law, bear allegiance to the Hong Kong Special Administrative Region (HKSAR) of the People's Republic of China, be dedicated to their duties and be responsible to the HKSAR Government.

- 18 The government unveils a strategy to transform Ocean Park into a resort and leisure destination focusing on conservation and education, with new operating and pricing models to achieve business sustainability.

- 23 About 7,000 people in a specified 'restricted area' in Jordan are required to stay in their premises and be tested for COVID-19 in the first 'restriction-testing declaration' under the Prevention and Control of Disease (Compulsory Testing for Certain Persons) Regulation. The exercise is completed in under 48 hours and 13 confirmed cases are identified. Similar operations are subsequently conducted throughout the year in response to risk of infection in different districts.

- 25 The Secretary for Food and Health authorises the Comirnaty COVID-19 vaccine by Fosun Pharma/BioNTech for emergency use in Hong Kong. The first batch of about 1.34 million doses of the Comirnaty vaccine is delivered to Hong Kong in two shipments on 27 February and 7 March.
- 26 The Hospital Authority launches the Special Chinese Medicine Programme for COVID-19 In-patients at the community treatment facility at AsiaWorld-Expo to provide an additional treatment option. The service later relocates to North Lantau Hospital Hong Kong Infection Control Centre.
- 27 The Chief Executive, Mrs Carrie Lam, makes her annual work reports to President Xi Jinping and Premier Li Keqiang separately via video conferencing on the latest economic, social and political situation in Hong Kong.
- 31 The government no longer recognises the British National (Overseas) passport as a valid travel document and proof of identity as the United Kingdom Government has altered the nature of the passport by introducing a route for Hong Kong people holding the passport to reside and obtain citizenship in the UK.

February

- 2 The Chief Executive in Council adopts the recommendation of the Minimum Wage Commission to maintain the statutory minimum wage rate at \$37.50 per hour.
- 3 The Education Bureau announces that schools are allowed to arrange for no more than one-third of the total number of students to return to campuses for classes on a half-day basis after the Lunar New Year holidays.
- 4 The Education Bureau issues guidelines on school administration and education in relation to upholding national security to help schools maintain a safe and orderly learning environment and promote national security education.
- 8 The government announces the Waste Blueprint for Hong Kong 2035 with the vision 'Waste Reduction • Resources Circulation • Zero Landfill', outlining the strategies, goals and measures for waste management up to 2035.
- 12 The free trade agreement and investment agreement between Hong Kong and the Association of Southeast Asian Nations (ASEAN) come into effect for Cambodia, signifying the full entry into force of the two agreements signed between Hong Kong and the 10 member states of ASEAN.
- 18 The Secretary for Food and Health authorises the COVID-19 vaccine by Sinovac for emergency use in Hong Kong. The first batch of 1 million doses of the Sinovac vaccine arrives in Hong Kong on 19 February.

Calendar of Events

2021

- 24 The Financial Secretary, Mr Paul Chan Mo-po, delivers the 2021-22 Budget, unveiling initiatives to revive Hong Kong's economy and measures costing over \$120 billion to relieve people's burden, which include distributing electronic consumption vouchers worth \$5,000 to eligible Hong Kong residents.
- 26 The COVID-19 Vaccination Programme launches with about 6,000 people receiving vaccinations on the first day. At year-end, more than 9.93 million doses have been administered and more than 72 per cent of the eligible population have received at least one dose.
- The North Lantau Hospital Hong Kong Infection Control Centre commences service, providing 816 isolation beds in six ward buildings to admit COVID-19 confirmed patients with mild or moderate clinical conditions.
- 28 The seasonally adjusted unemployment rate for December 2020 to February 2021 rises to 7.2 per cent, the highest since 2004.

March

- 1 All government employees and members of the public are required to scan the venue QR code with the LeaveHomeSafe mobile app or register their contact numbers before entering government buildings or offices to assist contact tracing of confirmed COVID-19 cases.
- 11 The National People's Congress (NPC) passes the Decision on Improving the Electoral System of the HKSAR, aiming to ensure 'patriots administering Hong Kong' and that the principle of 'one country, two systems' is fully implemented.
- The government welcomes the contents relating to Hong Kong in the Outline of the 14th Five-Year Plan for National Economic and Social Development of the People's Republic of China and the Long-Range Objectives Through the Year 2035 (National 14th Five-Year Plan) approved by the NPC, and says it will proactively integrate Hong Kong into national development.
- 17 The government announces the first Hong Kong Roadmap on Popularisation of Electric Vehicles, which sets out the policy objectives and measures to promote the use of electric vehicles in Hong Kong including ceasing new registration of fuel-propelled and hybrid private cars by 2035.
- 26 The Education Bureau announces that schools are allowed to arrange for not more than two-thirds of the total number of students to return to campuses for face-to-face classes on a half-day basis after the Easter holidays.

Calendar of Events

2021

- 30 Subsequent to the NPC's decision on improving the electoral system of the HKSAR, the NPC Standing Committee adopts amendments to Annex I and Annex II to the Basic Law on the methods for the selection of the Chief Executive and formation of the Legislative Council of the HKSAR.

April

- 2 Hong Kong's largest indoor public transport interchange opens at Yue Man Square, Kwun Tong. The two-storey facility with an area of 15,000 square metres, serving seven bus routes and 22 minibus routes, is equipped with the city's first air-conditioned indoor bus waiting area and artificial intelligence sensor-controlled bus boarding gates.
